Shinya no Live journal

My cat is missing. My dog is dirty. Kaoru said I should wash it. Good thing I'll have to do the laundry today, which makes things less complicated and saves time. First I will make breakfast. Die will have to shop first for dinner.

The Die-ry

Have to go shopping today...that sucks!

...guess I'll have to buy new boxer shorts again.

There was a weird new brush in the shower...it wasn't good quality...got all soaked and mushy. I threw it into the garbage...come to think of it, it had some odd similarity with Shin-chan's cat...must be my imagination.

Kyo's collection of mentally deranged thoughts on nothing in particular

Gah! Totchi woke me up. Threw Shin-chan's cat on my face...I smashed it into the wall (all Totchi's fault, of course!).

Totchi's Diary

Fuck! This day started off really bad!

I just woke Kyo...unfortunately I used Shin-chan's cat, throwing it onto Kyo-chan's face >\_< When it started wriggling and scratching he smashed it into the wall x\_X

Shin-chan's going to kill me >\_< Kyo put the cat into the fridge...he said he was going to reanimate it later o\_O ....I don't feel so good about that...

Kaoru-sama's notes

6:00 a.m.

Yay me! Today is my day off of any housework! Die is shopping today (that means his closet is unguarded!); it's Totchi's turn to clean the living room and the bath and Shinya's doing the laundry.

Die:

Kyo was acting weird the whole morning...stalking around the kitchen with a strange grin plastered to his face. Have to go shopping now, ja ne.

Toshiya:

Waaah!!! Shinya was just heading for the kitchen to make breakfast and do the laundry >\_< I grabbed the frozen kitty and put it into the shower for the moment...hope it will thaw again.

Kyo is acting weird...strolling around the kitchen...

Kaoru:

8:35 a.m.

Just found that cool piece of old fur in the garbage. Nobody seems to mind so I'll use it for one of my next costumes. I can't help myself, but somehow it has an odd resemblance with Shinya's cat...come to think of it, I didn't see the damn fur ball all morning...

Kyo is sneaking around the kitchen in a weird fashion...wonder what he's up to?

Kyo:

Have to get into the kitchen so I can steal that cute panty of Shinya (the one with the strawberry-print...Shin-chan so kawaii!!!).

Kaoru:

9:15 a.m.

Puppy was dirty after Toshiya cleaned the living room. I gave it to Shinya and said he should clean the poor dog.

Yay! DaiDai finally left for shopping! My time has come!

Toshiya:

I guess this is not my lucky day...I was cleaning the living room (hiding the dirt under the carpet as usual) when suddenly it began to move under the cloth! I spanked it with the broom, but when I lifted the carpet, I only saw puppy with a huge bump on its head >\_<

He's dirty now and Kaoru said Shinya would have to wash it.

Shinya:

Did the laundry. Strange sounds (apart from puppy) coming out of the washing machine.

Kaoru thought I didn't notice, but he stole 3 of Die's new boxer-shorts when he thought I wasn't looking. Bastard! Guess he's by now drooling over them in his little shrine.

Kyo:

Got washed together with the laundry (accidentally...had to hide in the basket with the clothes when Shinya entered) and with puppy (intentionally...sometimes Shin-chan's really weird). But it was worth the effort: I have the panty! Wai!

And Kaoru, that pervert, stole 3(!) of Die's new boxers...poor guy; he liked the one with the lemon-print so much. Seems like Shinya's now going to fill Yoshiki's mailbox with his chit-chat again.

Die:

Tadaimah!

Kyo's missing...my 3 newest boxer shorts as well! Where the hell do these things go!?  
Shinya's talking on Yoshiki's mailbox again.

Kaoru:

11:42 a.m.

Just stole 3(!) of DaiDai's latest boxer shorts (one has a lemon print! kawaii!). I can't believe Shinya put the dog into the washing machine?! And there were some strange sounds coming out of the washing machine as well (apart from puppy). Shinya's bugging Yoshiki again on the phone.

Toshiya:

Shinya's talking a whole lot of rubbish on Yoshiki's mailbox again. The kitty disappeared from the shower...I hope its ghost won't haunt me o\_O

Shinya:

Have to call Yoshiki-sama again. As off late I can only reach his mailbox...wonder what he's doing all the time?!

[ end ...at least for now ]

Yoshiki:

Thank goodness I made an automatic reroute attachment of Shinya to my mailbox ^^  
His constant rambling about Kaoru's boxer short-fetish can drive one insane!
