We met when I was lvl5.  
She blocked me.  
Ok XD.  
Her character is awesome.  
Mine clumsy.  
She got items  
I dream of

REFRAIN:  
Oh lady!  
I love you.  
You shine bright in the gaming zone.  
You're the first in the ranking table  
You're my high level angle!

I come online whenever I can.  
I mail you every day.  
Never stop dreaming of  
Having stats like you.  
Write you: <3  
You blocked me again

REFRAIN

Oh Sally123!

You're my virtual love  
I want to meet you -  
In real life.

My high-level angel.  
We meet at our favourite game stand!  
A fat girl with ugly face  
Come to me.
